

CITGO Retailers

Unlock your special offer!

Your current POS likely requires an expensive upgrade to **one component of an old legacy system**. Take advantage of this limited time offer for a **completely new system!**

\$7,000*

Limited Time Offer

Includes:

- Complete Passport Point of Sale System
- Enhanced Dispenser Hub (EDH)
- 1st Year Software Maintenance, Help Desk, and Warranty

Why Switch to Passport?

Get an entire new system, not just one component.

The full POS system with 1st year warranty, help desk and software maintenance **at no additional cost**. Don't wait for other critical components like the store controller, PIN pad, scanner to fail. Get it all new, now!

Switching is seamless.

Passport works with all current dispenser-types and integrates with your existing interfaces including back-office, loyalty, price signs, coupon acceptance, and proprietary fleet cards, just to name a few.

Grow your business by selling at the pump!

The first-to-market solution where customers can buy c-store items at the pump with one card swipe.

***Contact your local Gilbarco Veeder-Root or Invenco by GVR Distributor for details.**

A Legacy in Fuel and Convenience Retail

Driven by the unmatched history of Gilbarco Veeder-Root and Invenco by GVR, Passport is trusted by thousands of convenience retailers.

Universal Compatibility:

- Works with all current dispenser manufacturers, ensuring a seamless integration across a mixed network.
- Over 120 partner integrations to streamline operations and increase customer satisfaction. Partner solutions include back-office management, loyalty, couponing, electronic price signs and more. See full list [here](#).

Flexible Payment Options:

Accepts all payment and loyalty methods, including major fleet cards and EBT.

Invest now in the POS built for you! A completely new system — not an upgraded component of an existing register. Transition is easy, integration with your existing interfaces is seamless, and is implemented by your local contractor.

Easy Employee Training:

Train staff in 20 minutes using intuitive UI, on-screen prompts, and online tutorials.

Grows with Your Business:

Easily expand with additional cashiering lanes, self-checkout, foodservice, order-at-the-pump, and drive-thru options.

24/7/365 Industry-Leading Help Desk & Software Maintenance:

Access to remote technical support, regular software updates and manage and monitor your sites remotely.
