

# Generate foot traffic and incremental revenue as an Amazon Locker host

Amazon customers use self-service lockers to pick up packages at participating CITGO stations whenever and wherever is most convenient to them.

Become part of the participating network by converting your unused or unprofitable space into a value-added service for your customers. Give them one more reason to visit your location and engage them while on-site to drive incremental revenue.

## What are the benefits?

-  Drive customer retention and satisfaction
-  Opportunity for increased foot traffic and incremental revenue
-  Self-serve solutions
-  \$50-\$100 depending on location

## Frequently asked questions:

### Why do customers use Amazon Locker?

Customers pick up from Amazon Locker because it's convenient. It's a complement to home delivery and can easily fit into a customer's routine.

### How much does it cost to become an Amazon Locker host?

There is no cost to you. As an Amazon Locker host, you can benefit from an increase in foot traffic to your locations without paying for any of the setup and maintenance costs.

### What other benefits does Amazon provide?

Qualifying locations are eligible for monthly rental income and income from advertising wraps placed on the locker

### How do I get started?

[Submit your location\(s\) for survey here.](#)
