

# CITGO has teamed up with LSI Petroleum Lighting to bring you the best in LED lighting.

- New or Retrofit
- Canopy Only or Entire Site
- Special Pricing

Energy-efficient LED lighting saves on electrical and maintenance costs and stays brighter longer.

## Canopy Retrofit Example

Twenty 320-Watt Scottsdales to LEGACY CRU SS = 163% ROI for every dollar spent

Add a Utility District Incentive (if available) = 146% ROI for every dollar spent

## How do I find out more?

Call 1-844-574-2846.

We will survey your store, provide you with an energy calculation specific to your lighting and furnish you with a CITGO pricing quote. Be sure to ask about the CITGO Bonus on canopy lighting retrofits for additional savings.
